## **Important Lane Closures for August 28-September 3**

### **Bridge Construction over Westpark Drive/Gosnell Road at Leesburg Pike (Route 7); Multiple Overnight Closures and Detours Required**

Cranes will continue to construct bridge segments over the Westpark Drive/Gosnell Road intersection with Leesburg Pike (Route 7).

Overnight thru traffic along both directions of Leesburg Pike (Route 7) still will be open, but left turns on to Westpark or Gosnell will not be allowed. For safety reasons, thru traffic on Westpark/Gosnell will be prohibited, and will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic ***and*** motorists wanting to turn left on to eastbound Leesburg Pike need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike toward Gosnell Road.
- Northbound Gosnell Road thru traffic ***and*** motorists wanting to turn left on to westbound Leesburg Pike need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Weather permitting, these closures will be in place from 10 p.m. to 5 a.m. Sunday through Thursday of next week.

### **Lane Closures of I-495 at Route 123 Anticipated Next Week**

Multiple overnight lane and ramp closures on both northbound and southbound I-495 at Route 123 are set to continue mid-next week.

Some 30-minute maximum total road closures may be necessary to move equipment. At this time, closures are scheduled for Thursday, Sept. 1. Closings will be announced as needed daily.

These closures generally are expected to occur Sundays through Fridays through the end of the year.

### **Full Closures of Eastbound Tysons Boulevard Continue Overnights Next Week**

Dulles Corridor Metrorail Project crews plan to close the eastbound lanes of Tysons Boulevard from Galleria Drive to Route 123 (Chain Bridge Road) overnight Monday, Aug. 29 through Thursday, Sept. 1, for pier and station work.

In addition, the turn lanes from Galleria Drive and Route 123 on to eastbound Tysons Boulevard will be closed.

These closures will be in place from 11 p.m. to 5 a.m. each night. Westbound Tysons Boulevard traffic will remain open.

Thru traffic on eastbound Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive. **Note:** Southbound Galleria Drive only allows a right-turn on to International Drive and thus does not access Route 123.

### **Flagging Operation at Magarity/Olney Intersection Aug. 29 to Sept. 2**

Flaggers will be directing thru traffic at the Magarity Road/Olney Road intersection in Falls Church as crews continue work in that area, reducing thru traffic to one lane on each road from Monday, Aug. 29 to Thursday, Sept. 1, from 9:30 a.m. to 3:30 p.m., and 9:30 a.m. to noon on Friday, Sept. 2.

Private entrances and driveways will be accessible at all times. Signage will be installed warning drivers that the flaggers and one-lane traffic are ahead. Drivers are urged to use extreme caution when traveling through this intersection.

The following lane, ramp and shoulder closures have been approved for the week of August 28, 2011. All closures are weather pending and subject to change.
