REMINDER: Bridge Construction at Two Tysons Corner Intersections to Continue Tonight

Leesburg Pike (Route 7) at Westpark Drive/Gosnell Road

The bridge span construction along the median of Route 7 continues at the Westpark Drive/Gosnell Road intersection. This requires the intersection to be closed overnights from 11 p.m. to 5 a.m.

Thru traffic along both directions of Leesburg Pike (Route 7) still is allowed. For safety reasons, thru traffic on Westpark/Gosnell is not allowed while work is performed, and is detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic and motorists wanting to turn left on to eastbound Leesburg Pike need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike towards Gosnell Road.
- Northbound Gosnell Road thru traffic and motorists wanting to turn left on to westbound Leesburg Pike need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Capital One Drive at Dolley Madison Boulevard (Route 123)

Capital One Drive, the main entrance to the Capital One campus, will continue to be closed from 11 p.m. to 5 a.m. this week. Bridge crews are working over the roadway. To access Capital One, use Scotts Crossing Road off Route 123.

Police will be onsite at both locations. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
