REMINDER: Bridge Construction Continues Tonight over Westpark Drive/Gosnell Road at Route 7

Dulles Corridor Metrorail Project bridge construction will require the closing of the middle of the intersection of Route 7 and Westpark Drive/Gosnell Road tonight between 10 p.m. and 5 a.m. Thursday, Dec. 15.

Thru traffic along Leesburg Pike (Route 7) will still be allowed. However, the two left thru lanes of westbound Route 7 at Westpark Drive will be closed to allow for safe swing movements of the crane.

For safety reasons, thru traffic on Westpark/Gosnell will not be allowed, and will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic **and** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike towards Gosnell Road.
- Northbound Gosnell Road thru traffic **and** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Police will be onsite.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
