CANCELLED: No Closures at Spring Hill Road/Route 7 Intersection Tonight

The Dulles Corridor Metrorail Project's previously announced closures at the intersection of Spring Hill Road and Leesburg Pike (Route 7) have been cancelled for tonight, Wednesday, Dec. 21.

However, overnight closures at this intersection should be expected through the end of the year, as crews complete with bridge construction over the intersection. Stay tuned for daily updates on the closures in this location.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.

For general project information: www.dullesmetro.com or 703-572-0506.
