**REMINDER: Right Lane of Southbound Route 123,
Ramp to Northbound I-495 Closed Tonight, Dec. 28
Closures at Route 7/Spring Hill Road Also to Resume**

The **right lane** of southbound Route 123 will be closed from Capital One Drive to the ramp to northbound I-495 from 9 p.m. to 5 a.m., tonight for Dulles Corridor Metrorail construction.

In addition, the **ramp** from southbound Route 123 to northbound I-495 also will be closed tonight during those hours. Traffic will be instructed to continue on southbound Route 123, turn right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then a slight left on to northbound Route 123 to northbound I-495.

Closures at Leesburg Pike (Route 7)/Spring Hill Road Intersection Resume Tonight

Drivers using northbound and southbound Spring Hill Road at Route 7 in Tysons will experience detours overnights resuming tonight, Wednesday, Dec. 28, from 11 p.m. to 5 a.m. Thru traffic on Spring Hill Road will not be permitted to cross Route 7 because of bridge construction over that intersection.

Thru traffic on eastbound and westbound Route 7 will not be affected. Turns from eastbound Route 7 on to northbound Spring Hill Road will not be permitted. Turns from westbound Route 7 to southbound Spring Hill Road also will not be allowed.

Here is how the detours will work:

- Southbound Spring Hill Road thru traffic **and** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at Tyco Road/Westwood Center Drive, and continue on eastbound Leesburg Pike toward Spring Hill Road.
- Northbound Spring Hill Road thru traffic **and** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, U-turn at Westpark Drive/Gosnell Road, and continue on westbound Route 7 to access Spring Hill Road.

Drivers should expect approximately 10- to 15-minute travel delays if traveling through this area during these closures, which are expected to last through the end of the year.

Other Nighttime Closures Cancelled

The previously announced closures along Leesburg Pike (Route 7) at the intersection of Westpark Drive/Gosnell Road have been cancelled for tonight.

In addition, the previously announced full closure of southbound Route 123 between the Dulles Connector Road (Route 267) overpass and Anderson Road is also cancelled tonight.

Police will be on site. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
