Important Lane Closures June 12-18 Include Northbound Beltway Lanes, Eastbound Dulles Airport Access Highway at Route 7

I-495 Lane Closures at Route 123 Continue

Multiple lane closures on northbound I-495 at Route 123 (Chain Bridge Road/Dolley Madison Boulevard) are set to continue next week as crews construct the bridge over the Capital Beltway.

The **three right thru lanes** will be closed Wednesday, June 15 through Thursday, June 16, from 11 p.m. to 5 a.m.

Traffic will be allowed to pass through this interchange, though drivers can expect some delays when approaching. Lanes will begin to taper down near the Route 7 (Leesburg Pike).

The **two left lanes** will be closed **in both directions** Friday, June 17, from 10:30 p.m. to 7 a.m.

All ramps to and from Route 123 will remain open. Motorists should exert extreme caution and expect delays if passing through this area. Police will be onsite to direct traffic.

Major Closures of Eastbound Dulles International Airport Access Highway (DIAAH) Near Route 7 Continue Monday Night; Detour on to Westbound Lane

The eastbound lanes of the Dulles International Airport Access Highway (DIAAH) will be closed overnight Monday, June 13, from approximately 8 p.m. to 5 a.m.

The closing is necessary because rail construction crews will be working on a large concrete structure that will straddle two piers on each side of the eastbound Airport Access Highway. **The exit to Route 7 (Leesburg Pike) will remain open.**

This airport road closure will be implemented as follows. All times are approximate:

- 7 p.m. – The left lane of the westbound DIAAH will close near Route 7.
- 7:30 p.m. – The right lane of the eastbound DIAAH also will close near Route 7.

- 8 p.m. – All eastbound DIAAH traffic will be diverted on to a single westbound lane, which will remain open to accommodate diverted Toll Road traffic (*see listing below*). At this time, westbound DIAAH will be two-way traffic.
- Closures will be picked up in reverse order, to be completed at 5 a.m. the following mornings.

This work is expected to occur intermittently as needed through the end of July.

Eastbound Tysons Boulevard Closures between Galleria Drive and Route 123 Resume

The eastbound lanes of Tysons Boulevard will be closed near Galleria Drive to Route 123 (Chain Bridge Road) from 11 p.m. to 5 a.m. Monday, June 13 through Friday, June 17, for pier and station work.

Thru traffic on eastbound Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive.

REMINDER: Flagging Operation at Magarity/Olney Intersection Continues

Flaggers will be directing thru traffic at the Magarity Road/Olney Road intersection in the Pimmit Hills neighborhood as crews continue restoration of the curb line and gutter, and installation of a new storm drainage pipe.

This work will reduce thru traffic to one lane on each road from 9:30 a.m. to 3:30 p.m. Monday, June 13 through Thursday, June 16, and 9:30 a.m. to noon on Friday, June 17.

Private entrances and driveways will be accessible at all times. Signage will be installed warning drivers that the flaggers and one-lane traffic are ahead. Drivers are urged to use extreme caution when traveling through this intersection.
