## **Important Lane Closures June 19-25: Include I-495, Dulles Toll Road, Dulles Access Highway, and Route 7**

### **I-495 Lane Closures at Route 123 Continue**

Multiple lane closures on southbound and northbound I-495 at Route 123 (Chain Bridge Road/Dolley Madison Boulevard) are set to continue next week as crews construct the bridge over the beltway.

The ***two left thru lanes*** on I-495 northbound will close overnight on Friday, June 17, from 10:30 p.m. to 7 a.m., and again on Sunday, June 19, from 10 p.m. to 5 a.m.

Southbound, ***two thru lanes*** will be closed overnight on Sunday, June 19, from 10:30 a.m. to 7 a.m., and ***the right thru lane*** will be closed on Friday, June 24, from 10 p.m. to 9 a.m., Saturday, June 25, from 9:30 p.m. to 9 a.m., and Sunday, June 26, from 9:30 p.m. to 5 a.m.

All ramps to and from Route 123 will remain open. Motorists should exert extreme caution and expect delays if passing through this area. Police will be onsite to direct traffic.

Also, the entrance ramp to I-495 south from Route 123 south will be closed overnights from Tuesday, June 21 through Friday, June 24. Traffic will be detoured to the Route 123 north entrance ramp, via International Drive, to Galleria Drive, to Tysons Boulevard, to Route 123 north.

### **Closures of Eastbound Dulles International Airport Access Highway (DIAAH) Near Route 7**

All eastbound lanes of the Dulles International Airport Access Highway (DIAAH) will be closed overnights near Route 7, from Monday, June 20, through Friday, June 24, from approximately 7:30 p.m. to 5 a.m. Traffic will be directed, via a slip ramp, on to the westbound DIAAH at mile marker 11.0, which will be converted to two-way traffic during the closures, then returned to the eastbound DIAAH at mile marker 11.5.

### **Closures on Eastbound Dulles Toll Road (Route 267) near Route 7**

On Tuesday, night, June 21, from 7 p.m. to 5 a.m., all eastbound Dulles Toll Road will be diverted to the eastbound DIAAH at mile marker 11.3 and continue toward I-66/I-495.

The closings of the DIAAH and Toll Road are necessary because rail construction crews will continue working on large concrete structures that will straddle two piers on each side of the eastbound DIAAH. **The exit to Route 7 (Leesburg Pike) will remain open.**

### **Leesburg Pike (Route 7) West Lane Closures from Westpark Drive to Spring Hill Road**

Work on a water main will cause lane closures on Route 7 between Westpark Drive and Spring Hill Road during non-rush hours on Monday, June 20, through Friday, June 24, and night closures from Sunday, June 19 through Saturday, June 25.

Paving Work on Leesburg Pike (Route 7) East Will Create Lane Closures near Westwood Center Drive

Paving work continues on eastbound Route 7 and nighttime lane closures will take place near Westwood Center Drive.

### **Night Closures on Galleria Drive to Allow Overhead Bridge Work**

Monday, June 20, through Friday, June 24, the right turn lane of Galleria Drive north will be closed. Vehicles will be directed to turn left on Westbranch Drive, right onto Tysons Boulevard and then left onto International Drive in order to access Route 123.

Three left turn lanes of Galleria Drive south will be closed from Jones Branch Drive to Tysons Boulevard. Vehicles will be directed to turn right onto Tysons Boulevard, then left onto International Drive to access Route 123.

### **REMINDER: Flagging Operation at Magarity/Olney Intersection Continues**

Flaggers will be directing thru traffic at the Magarity Road/Olney Road intersection in the Pimmit Hills neighborhood as crews continue restoration of the curb line and gutter, and installation of a new storm drainage pipe.

This work will reduce thru traffic to one lane on each road from 9:30 a.m. to 3:30 p.m. Monday, June 20 through Thursday, June 23, and 9:30 a.m. to noon on Friday, June 24.

Private entrances and driveways will be accessible at all times. Signage will be installed warning drivers that the flaggers and one-lane traffic are ahead. Drivers are urged to use extreme caution when traveling through this intersection.
