URGENT: Three-lane I-495 Closures Tonight

The Dulles Corridor Metrorail Project has announced the three left lanes of **southbound** I-495 at Route 123 will be closed overnight tonight for overhead bridge construction.

Traffic will be allowed to pass through this interchange, though drivers can expect some delays when approaching the area. All ramps to and from Route 123 will remain open.

These closings also are scheduled to take place as needed throughout the year, until the bridge is complete.

Police will be onsite. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.

For general project information: www.dullesmetro.com or 703-572-0506.
