## **REMINDER: Two-Lane Closure of Northbound I-495 at Route 123 Continues in Tysons Corner**

Construction of the aerial bridges that will carry tracks for the Dulles Corridor Metrorail Project over the Capital Beltway (I-495) at Route 123 will continue tonight, May 16 through Friday, May 20.

This work will require closing two lanes of northbound I-495 overnights from 11 p.m. to 5 a.m. Monday through Thursday and from 10:30 p.m. Friday night to 7 a.m. Saturday morning.

In addition, the ramp from southbound I-495 to southbound Route 123 will be closed tonight, May 16 during the beltway closure.

Drivers should expect significant delays each night.

Crews will be using a large horizontal crane (also known as a truss) to build the bridges over I-495. Traffic cannot travel under active bridge construction for safety reasons.

Police will be onsite. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: [www.dullesmetro.com](http://www.dullesmetro.com) or 703-572-0506.
