## **Important Lane Closures May 29-June 4**

### **Eastbound Dulles International Airport Access Highway (DIAAH) to Close Overnight Tuesday, May 31; Detour on to Westbound Lane**

On or about Tuesday, May 31, the eastbound lanes of the Dulles International Airport Access Highway (DIAAH) will be closed overnight from approximately 8 p.m. to 5 a.m. The closing is necessary because rail construction crews will be working on a large concrete structure that will straddle two piers on each side of the eastbound DIAAH. **The exit to Route 7 (Leesburg Pike) will remain open.**

This DIAAH road closure will be implemented as follows. All times are approximate:

- 7 p.m. – The left lane of the westbound DIAAH will close near Route 7.
- 7:30 p.m. – The right lane of the eastbound DIAAH also will close near Route 7.
- 8 p.m. – All eastbound DIAAH traffic will be diverted on to a single westbound lane. At this time, westbound DIAAH will be two-way traffic.
- Closures will be picked up in reverse order, to be completed at 5 a.m. the following mornings.

This work is expected to occur intermittently as needed through the end of July.

### **Tysons Boulevard Closures at Route 123 Rescheduled to Next Week**

Dulles Corridor Metrorail Project crews plan to close Tysons Boulevard from Galleria Drive to Route 123 (Chain Bridge Road) overnight Tuesday, May 31 through Thursday, June 2, for pier and station work. In addition, all turn lanes from Galleria Drive and northbound Route 123 on to Tysons Boulevard will be closed.

These closures will be in place from 11 p.m. to 5 a.m. each night. Thru traffic on **eastbound** Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive. **Note:** Galleria Drive only allows a right turn on to International Drive and thus does not access Route 123.

Police will be onsite at all times for motorist safety. This work was rescheduled due to inclement weather.

### **REMINDER: Flagging Operation Continues at Scotts Crossing Road/Route 123 for Truss Work**

Bridge construction over Scotts Crossing Road at the Route 123 intersection will continue during the overnight hours. Scotts Crossing Road will be closed to thru traffic for safety reasons while the bridge work is performed over the road. However, **flaggers will be on site to allow cars to access Scotts Crossing Road**, because there is no alternate detour for Gates of McLean residents.

This closure is scheduled to be in place between 9:30 p.m. and 5 a.m. Tuesday May 31, through Thursday, June 2, and from 9:30 p.m. to 9 a.m. on Friday, June 3. Signage will be installed to warn drivers approaching the intersection from all directions that the flaggers are ahead. Drivers are urged to use extreme caution when traveling through this intersection.

### **REMINDER: Flagging Operation at Magarity/Olney Intersection Continues**

Flaggers will be directing thru traffic at the Magarity Road/Olney Road intersection in the Pimmit Hills neighborhood as crews continue restoration of the curb line and gutter, and installation of a new storm drainage pipe. This work will reduce thru traffic to one lane on each road from 9:30 a.m. to 3:30 p.m. Tuesday, May 31 through Thursday, June 2, and 9:30 a.m. to noon on Friday, June 3.

Private entrances and driveways will be accessible at all times. Signage will be installed warning drivers that the flaggers and one-lane traffic are ahead. Drivers are urged to use extreme caution when traveling through this intersection.

### **Memorial Day Holiday**

There will be no lane closures from noon Friday, May 27, through noon Tuesday, May 31, in observance of the Memorial Day holiday. Exceptions are closures on the Dulles International Airport Access Highway (DIAAH) and the Dulles Toll Road, which are planned to resume a full work day on Tuesday.
