URGENT: Crews Making Emergency Repairs on Westbound Route 7 at Spring Hill Road; Left Lane Closed through Rush Hour

Dulles Corridor Metrorail Project crews are performing emergency road work on westbound Leesburg Pike (Route 7) at Spring Hill Road in Tysons Corner. The left lane will be closed until these repairs are complete. The intersection remains open.

Drivers should use extreme caution and expect delays through the rush hour if traveling through this area.

For construction-related emergencies, please call the Dulles Corridor Metrorail Project Hotline at 877-585-6789. For additional information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.
