Important Lane Closures for October 16-22, 2011

Overnight Lane Closures on the I-495 Capital Beltway Continue Next Week

Crews will continue the bridge construction over I-495 during the night next week, weather permitting. Three right lanes of southbound I-495 will be closed from Old Dominion Drive to Route 123, from 10 p.m. to 5 a.m. on Sunday, Oct. 16, from 10 p.m. to 5 a.m. on Monday, Oct. 17 through Thursday, Oct. 20, and from 10:30 p.m. to 7 a.m. on Friday, Oct. 21. One lane of thru traffic will be allowed through this portion of the interstate.

Also, the three right lanes of southbound I-495 will be closed from approximately 1,500 feet north of Lewinsville Road to Route 123 on Wednesday, Oct. 19 thru Thursday, Oct. 20, from 11 p.m. to 5 a.m., and on Friday, Oct. 21, from 10:30 p.m. to 7 a.m.

Finally, the two left lanes of northbound I-495 will be closed from approximately 500 feet south of Route 7 to Route 123, on Wednesday, Oct. 19 through Thursday, Oct. 20, from 11 p.m. to 5 a.m., and on Friday, Oct. 21, from 10:30 p.m. to 7 a.m.

In addition, the entrance ramp from southbound Route 123 to southbound I-495 will be closed from 11 p.m. to 5 a.m. on those nights. To access southbound I-495, traffic will be directed to continue on southbound Route 123 (Chain Bridge Road), turn right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then a slight left and immediate right on to the ramp to southbound I-495.

Paving on Route 7 will Cause Night Closures of Westpark Drive/Gosnell Road/Tyco Road

Construction crews will be restoring pavement on both directions of Leesburg Pike (Route 7) at the intersection of Westpark Drive/Gosnell Road beginning Sunday night, Oct. 16.

Noise warning: Every effort will be made to minimize the noise associated with this work. **However, paving is an extremely dangerous activity, particularly at night, and will require the full use of backup alarms to ensure workers' safety.**
