## Important Lane Closures for October 23-29

### Overnight Lane Closures on the I-495 Capital Beltway Continue Next Week

Dulles Corridor Metrorail Project crews will continue the bridge construction over I-495 at the Route 123 intersection next week, weather permitting. Multiple lanes in either direction of the beltway may be closed in the overnight hours, though thru traffic will be permitted. Specific lane closures will be announced daily.

In addition, the entrance ramp from southbound Route 123 to southbound I-495 will be closed from 11 p.m. to 5 a.m. Sunday through Wednesday nights. To access southbound I-495, traffic will be directed to continue on southbound Route 123 (Chain Bridge Road), turn right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then a slight left and immediate right on to the ramp to southbound I-495.

### Safety Alert: Flaggers on Magarity Road at Dulles Connector Road Overpass

Drivers who use Magarity Road in the McLean/Falls Church area should be aware that flaggers will control thru traffic under the Dulles Connector Road (Route 267) overpass next week as bridge construction occurs over the roadway.

Flaggers will be in that location Monday, Oct. 24 - Thursday, Oct. 27 from 9:30 a.m. to 3:30 p.m., and Friday, Oct. 28, from 9:30 a.m. to noon. Please be alert and use extreme caution when using this stretch of Magarity Road.
