Closings Planned Tonight, Jan. 19, In Tysons Corner for Dulles Rail

Bridge Construction along Route 7 Tonight Will Close Two Intersections

Construction of the aerial guideway for the Dulles Corridor Metrorail Project in the median of Leesburg Pike (Route 7) in Tysons Corner is scheduled tonight, Jan. 19, and will cause the closings of the middle of **both** the Westpark Drive/Gosnell Road and Tyco Road/Westwood Center Drive intersections.

Thru traffic along both directions of Route 7 will not be affected, but thru traffic on Westpark Drive/Gosnell Road and Tyco Road/Westwood Center Drive will not be permitted. Detour information is as follows:

Westpark Drive/Gosnell Road Closures from 11 p.m. to 5 a.m.

- Southbound Westpark Drive thru traffic **and** drivers wishing to turn left on to eastbound Route 7 will be directed to turn right on westbound Route 7, U-turn at Spring Hill Road to access both eastbound Route 7 and Gosnell Road;
- Northbound Gosnell Road thru traffic **and** drivers wishing to turn left on to westbound Route 7 will be directed to turn right on eastbound Route 7, left on International Drive, left on Route 123, then exit to Route 7, to access both westbound Route 7 and Westpark Drive.

Tyco Road/Westwood Center Drive Closures from 9 p.m. to 5 a.m.

- Southbound Tyco Road thru traffic **and** drivers wishing to turn left on to eastbound Route 7 will be directed to turn right on westbound Route 7, U-turn at Jarrett Valley Drive to access both eastbound Route 7 and Westwood Center Drive. *As a courtesy to the neighborhood, please do not use Jarrett Valley Drive or private property as a turnaround;*
- Northbound Westwood Center Drive thru traffic **and** drivers wishing to turn left on to westbound Route 7 will be directed to turn right on eastbound Route 7, U-turn at Spring Hill Road to access both westbound Route 7 and Tyco Road.

Closure of Right Lane, Ramp at Southbound Route 123/I-495 Interchange

The right lane of southbound Route 123 will be closed from Capital One Drive to the east side of I-495 again tonight from 9:30 p.m. to 5 a.m. as overhead bridge construction continues.

In addition, the entrance ramp from southbound Route 123 to northbound I-495 will be closed from 9 p.m. to 5 a.m. To access northbound I-495, drivers will be detoured by continuing on southbound I-495, turning right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then right on to **northbound** Route 123, to the **second** right exit on to **northbound** I-495.

Eastbound Tysons Boulevard to Close Again Tonight

Eastbound Tysons Boulevard will be closed between Galleria Drive and Route 123 from 9 p.m. to 5 a.m. tonight for overhead bridge, pier and station work at the future Tysons Central 123 Station.

This will require the closure of turn lanes from both directions of Galleria Drive, and from northbound Route 123, as well as thru traffic from eastbound Tysons Boulevard. Police will be on site to direct traffic, and detour signage will be in place to help motorists avoid this closure.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
