Important Lane Closures for Jan. 22-28, 2012

Bridge Construction along Median of Route 7 Continues, Two Major Intersections to Be Closed Overnights Next Week

Construction of the aerial guideway in the median of Leesburg Pike (Route 7) in Tysons Corner will continue overnight Sunday, Jan. 22 through Friday, Jan. 27, resulting in the closures of the middle of **both** the Tyco Road/Westwood Center Drive and Westpark Drive/Gosnell Road intersections.

Thru traffic along both directions of Route 7 will not be affected, but thru traffic on Tyco Road/Westwood Center Drive **and** Westpark Drive/Gosnell Road **will not** be permitted. Detour information is as follows:

Tyco Road/Westwood Center Drive Closures – 9 p.m. to 5 a.m.

- Southbound Tyco Road thru traffic **and** drivers wishing to turn left on to eastbound Route 7 will be directed to turn right on westbound Route 7, U-turn at Jarrett Valley Drive to access both eastbound Route 7 and Westwood Center Drive. *As a courtesy to the neighborhood, please do not use Jarrett Valley Drive or private property as a turnaround;*
- Northbound Westwood Center Drive thru traffic **and** drivers wishing to turn left on to westbound Route 7 will be directed to turn right on eastbound Route 7, U-turn at Spring Hill Road to access both westbound Route 7 and Tyco Road.

Westpark Drive/Gosnell Road Closures – 11 p.m. to 5 a.m.

- Southbound Westpark Drive thru traffic **and** drivers wishing to turn left on to eastbound Route 7 will be directed to turn right on westbound Route 7, U-turn at Spring Hill Road to access both eastbound Route 7 and Gosnell Road;
- Northbound Gosnell Road thru traffic **and** drivers wishing to turn left on to westbound Route 7 will be directed to turn right on eastbound Route 7, left on International Drive, left on Route 123, then exit to Route 7, to access both westbound Route 7 and Westpark Drive.

Right Lane of Southbound Route 123, Ramp to Northbound I-495 to Close Overnights

Southbound Route 123 in Tysons Corner will be closed between Capital One Drive and the east side of I-495 from 9 p.m. to 5 a.m. Sunday, Jan. 22 to Friday, Jan. 27 for overhead bridge construction.

In addition, the on-ramp from southbound Route 123 to northbound I-495 also will be closed on those nights from 9:30 p.m. to 5 a.m. To access I-495 North, traffic will be detoured to continue on southbound Route 123, right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then left on to northbound Route 123 to the *second* exit on to northbound I-495.

Eastbound Tysons Boulevard to Close Sunday through Friday Nights

The eastbound lanes of Tysons Boulevard will be closed between Chain Bridge Road (Route 123) and Galleria Drive Monday through Friday nights, Jan. 23-27, for overhead bridge, pier and station work near the future Tysons Central 123 station.

This also will require the closures of the turn lanes on to eastbound Tysons Boulevard from northbound Chain Bridge Road (Route 123), and northbound and southbound Galleria Drive. Generally, these lane closures will begin to be implemented at 9:30 p.m. each night, and will be lifted between 5 a.m. each following morning.

Detours around this closure will be in place. Please use extreme caution, pay attention to signage, and obey police direction if traveling around this intersection.
