Important Lane and Ramp Closures for the Week of January 18 – January 24

Road/station work and inspections along Leesburg Pike (Route 7), Frontage Road, and Dulles Connector Road (DCR) will continue the week of January 18, 2015 and will cause multiple lane closures.

Phase 2 Barrier Installation, Soil Testing, and Other Construction Activities Continue along the Dulles Toll Road, Dulles International Airport Access Highway, Dulles Greenway, and on Airport Roads.

Phase 2 Dulles Corridor Metrorail Project crews are continuing barrier installation, soil testing, and other construction work. Single lane, shoulder closures, and short-term ramp closures will occur along the Dulles Toll Road (DTR), Dulles International Airport Access Highway (DIAAH), Dulles Greenway, and on airport roads the week of January 18 – January 24.

This work will take place both overnights and during the daytime hours. Please note that dates and times may change as lane closures can be adversely affected by inclement weather or other elements. Details of the work that will take place this week follow below.

Please see the details for all of these activities as well as other lane, ramp and shoulder closures that have been approved for the week of January 18, 2015. All closures are weather permitting and subject to change. All night shift lane closures will have police escorts onsite for enhanced public safety.
