Ramp from Southbound Route 123 to Route 7 to Close Overnight Friday southbound Route 123 to eastbound Route 7 to remain closed

Weather permitting, the ramp from southbound Chain Bridge Road (Route 123) to Leesburg Pike (Route 7) will close from approximately 11:00 p.m. Friday, Aug. 7, to 5:00 a.m. Saturday, Aug. 8. This closure supports construction activities for Phase 1 of the new Metrorail extension to Dulles Airport.

Southbound Route 123 traffic can access Route 7 by turning left on to southbound International Drive (*see map*). Police will be on site to direct traffic during the ramp closure. The traffic signal at the bottom of the ramp to Route 7 will also be permanently removed.

After the work is complete, drivers should expect the following:

- The ramp will re-open to **westbound Route 7 traffic only**. Traffic will only be allowed to turn right at this intersection.
- All drivers wishing to travel eastbound on Route 7 will continue to follow the detour.

If you have any project-related construction emergencies, please call the Dulles Corridor Metrorail Project Hotline at 877-585-6789.

For further information about the project, please visit our project website www.dullesmetro.com or call 703-572-0506.
