Ramp Closure Tonight and Saturday Night: Southbound Capital Beltway to Southbound Route 123

The southbound exit ramp from the I-495 Capital Beltway (Outer Loop) to southbound Chain Bridge Road (Route 123) will close overnights Friday and Saturday, Dec. 11-12. The ramp will be closed between 11:00 p.m. and 5:00 a.m. each night, so crews can relocate barriers, and stripe and pave asphalt.

Drivers will be directed to use the following detour to access southbound Chain Bridge Road (Route 123). Basically, drivers will use the other three exit ramps at this interchange:

- Use the exit to northbound Chain Bridge Road (Route 123) toward McLean
- Remain on the exit ramp and use the on-ramp to northbound I-495 (Inner Loop)
- From northbound I-495 (Inner Loop), use the existing exit to southbound Chain Bridge Road (Route 123)

For an illustration of this detour, please refer to the map (on page 2) or visit:

Police will be onsite for motorist safety. Detour signs will also be in place to aid drivers. Please stay alert and use extreme caution when traveling in these work areas.
