Important Lane Closures Dec. 28-Jan. 1

Holiday Work Schedule

There will be no lane closures scheduled before noon on Monday, Dec. 28, in observance of the Christmas holiday; and from noon Thursday, Dec. 31 (New Year's Eve) until noon Monday, Jan. 4, in observance of New Year's.

Snow Causes Work Rescheduling

Leesburg Pike (Route 7): The right lane of both directions of Leesburg Pike (Route 7) between Westpark Drive/Gosnell Road and the Chain Bridge Road (Route 123) underpass will close from 9:30 a.m. to 3:30 p.m. Monday through Wednesday. Crews will be performing utility work, placing barriers, and excavating in the area. Entrances to all businesses and shopping centers will remain open, but drivers should stay alert and also be aware of permanent service road closures along this stretch of Leesburg Pike (Route 7).

I-66:

- The left through lane of westbound I-66 will close between Haycock Road and the Dulles Connector Road split again next week. This lane will be closed from 9:30 p.m. to 5:00 a.m. Monday through Wednesday. The closings are needed to deliver equipment and begin excavation in this work area of the Dulles Corridor Metrorail Project.
- The left lane of eastbound I-66 from just west of the Dulles Connector Road (Route 267) to Great Falls Street will also be closed overnights. The closures will begin Monday night and occur each night through Wednesday, Dec. 30.

Dulles Connector Road Median Area: Crews will continue pouring concrete for pier installation in the median of the Dulles Connector Road (Route 267). This work will close the left lane between Magarity Road and Route 123 Monday through Wednesday. In order for crews to access the area for concrete pours, Old Chain Bridge Road will be reduced to one lane between Seneca Avenue and Hallcrest Street during the daytime Monday through Wednesday. A flagger will be on site at all times to control traffic.
