## **Dulles Connector Road Ramp to Close Nights Aug. 2-7**

The Dulles Corridor Metrorail Project has been performing utility relocations along the north side of Route 123 for several months. As part of this activity, our contractors will close the exit ramp from eastbound Route 267 (Dulles Connector Road) to northbound Route 123 (Dolley Madison Blvd.).

**Weather permitting, this work will be performed Sunday night, Aug. 2, through Friday, Aug. 7, between midnight and 5:00 a.m. each night.**

Drivers will be directed to detour by using the ramp to southbound Route 123 and using the traffic signal to access the northbound lanes. Police will be on site for motorist safety.

Motorists should stay alert and be prepared for these construction activities.

If you have any construction-related emergencies, please call the Dulles Corridor Metrorail Project Hotline at 877-585-6789.

For further information about the project, please visit our project website at [www.dullesmetro.com](http://www.dullesmetro.com) or call 703-572-0506.
