Two Ramps at Route 123/I-495 Interchange to Close Overnight Friday, Aug. 6; New Times Announced

Two ramps at Route 123 and the Capital Beltway (I-495) in Tysons Corner will be closed overnight Friday, Aug. 6, because of Dulles Corridor Metrorail Project construction.

The ramps from northbound I-495 to southbound Route 123 and the ramp from northbound Route 123 to northbound I-495 will be closed from 10:30 p.m. Friday to 7 a.m. on Saturday morning. **Please note the time change from the July 28 release.**

Next week, project crews are scheduled to begin work on one of many rail piers being built in the area. A lane must be shifted to create a safe work zone. This will require the overnight closings.

Detour information is as follows:

Ramp from Northbound I-495 Capital Beltway (Inner Loop) to Southbound Route 123

Detour: Drivers on northbound I-495 should exit to northbound Route 123, turn right on Old Meadow Road, left on Colshire Meadow Road, left on Colshire, to left on southbound Route 123.

Ramp from Northbound Route 123 to Northbound I-495 Capital Beltway to Maryland

Detour: Drivers using northbound Route 123 should remain on northbound Route 123, do a left-hand U-turn at Capital One Drive on to southbound Route 123, continue past the entrance ramp to southbound I-495, and then use in ramp on the right to northbound I-495.

Police will be onsite at all times for motorist safety.

In case of inclement weather, the work will be rescheduled for the following night, Saturday, Aug. 7 during the same time period.
