Important Lane Closures July 12-16, 2010

Overnight Ramp Closures Next Week

Southbound Route 123 to Southbound I-495 Capital Beltway (Outer Loop)

This ramp will be closed between 11:00 p.m. and 5:00 a.m. overnights Monday, July 12 through Friday, July 16. To access the Beltway Outer Loop, drivers will be directed to follow southbound Route 123, then turn right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then make a slight left on to northbound Route 123 to make the immediate right on to the Outer Loop on-ramp.

Eastbound Dulles Toll Road (Route 267)/Dulles International Airport Access Highway (DIAAH) to Leesburg Pike (Route 7)

The exit ramps from *both* the eastbound Toll Road and the eastbound DIAAH to eastbound Route 7 will close between 11:00 p.m. and 5:00 a.m., Monday through Friday overnights, so crews can place barriers and stripe pavement.

Toll Road traffic will continue on the Toll Road and exit International Drive, then turn right to access Spring Hill Road and Leesburg Pike (Route 7).

DIAAH traffic will follow the westbound Route 7 exit ramp to access both directions of Route 7. This exit will be narrowed to one lane but remains open.

Lane Shift of Westbound DIAAH at Wiehle Avenue Rescheduled to Begin Overnight Wednesday, July 14

Construction on the future Wiehle Avenue Metro station is underway in the median of the DIAAH. Crews have already shifted the eastbound lanes out to expand the work zone – now it is time to shift the westbound lanes. This right shift for westbound traffic is scheduled to begin overnight Wednesday, July 14. This will be done in phases over the next two weeks, starting at the Wiehle Avenue overpass, and will taper back to the left after the work zone.

Daytime Lane Closures on I-66

The left lane of eastbound I-66 will be closed between 9:30 a.m. and 3:30 p.m. Monday through Thursday, and 9:30 a.m. and noon on Friday. These closures are necessary for concrete pours.

REMINDER: Magarity Road to Close Overnights Again

Drivers who use Magarity Road in the McLean/Falls Church/Tysons area might experience significant delays some weeknights through the week of July 12 when the road may be closed between Olney Road and Great Falls Street between midnight and 6 a.m., weather permitting.

The closing is necessary for safety reasons as concrete is poured for the new bridge that will carry tracks for the Dulles Corridor Metrorail Project in the median of the Dulles Connector Road across Magarity Road.

Drivers are encouraged to detour by using Anderson Road, Chain Bridge Road and Great Falls Street.
