Late night intermittent closings on bus ramp Near West Falls Church Metro Station scheduled Monday night

Short, intermittent closures of the on-ramp from the bus turnaround area at the West Falls Church Metro Station will take place Monday night, Nov. 8, between midnight and 5 a.m. because of Dulles Corridor Metrorail Project construction.

The closings will take place after bus operations close.

Flaggers will stop traffic coming from the bus turnaround for approximately 10-15 minutes when steel spans are moved over the road way.

This is not expected to impact any traffic except for any vehicles and other personnel who may need to leave the bus area.

If you have any construction-related emergencies call the Dulles Corridor Metrorail Project Hotline at 877-585-6789.

For information about the project, visit our project website at www.dullesmetro.com or call 703-572-0506.
