Important Lane Closures Nov. 21-24

Road Work, Lane Closures along Route 7 Continue; Final Road Shifts Coming

Drivers using Leesburg Pike (Route 7) between the Dulles Toll Road (Route 267) and Chain Bridge Road (Route 123) should expect lane closures in the next week, especially along the westbound lanes during the nighttime hours.

The next lane shift is scheduled for tonight, Friday, Nov. 19, from the 8500 block of Leesburg Pike to just before Spring Hill Road.

Crews continue to complete utility work and are preparing to implement the last phases of the road shifts. The road shifts are needed to make room for the construction work areas in the median, where two of the four stations in Tysons Corner are being built.

During overnight hours, expect brief detours and multiple lane closures at any time. Police will be onsite for motorist safety when these closings occur.

Nighttime Closure of Eastbound I-66

A single lane of eastbound I-66 will be closed for approximately a half-mile around the overpass from the Dulles Connector Road (Route 267) between 9:30 p.m. and 5:00 a.m. Monday, Nov. 22 and Tuesday, Nov. 23. Crews will be performing pier construction between the Orange Line tracks and I-66. Police will be onsite for motorist safety for all nighttime work.

Thanksgiving Holiday Schedule

There will be no lane closures between noon on Wednesday, Nov. 24, and noon on Monday, Nov. 29, in observance of the Thanksgiving Day holiday.
