Important Lane Closures Nov. 29 – Dec. 3

Thanksgiving Holiday Schedule:

Unless listed otherwise or in case of emergency, there will be no lane closures between noon on Wednesday, Nov. 24, and noon on Monday, Nov. 29, in observance of the Thanksgiving Day holiday.

Westbound I-66 Closures Overnights Next Week

Westbound: I-66 at the Dulles Connector Road (Route 267) is scheduled to close **overnights** Tuesday, Nov. 30 and Thursday, Dec. 2, between 11:00 p.m. and 5:00 a.m. for Dulles Corridor Metrorail Project construction.,

For safety reasons, traffic cannot be allowed to flow under this construction work. Through traffic will be detoured on to the Dulles Connector Road westbound, then on to Route 123 south toward Tysons Corner, to a right turn on to the ramp to the Capital Beltway south toward Richmond. Drivers can then rejoin I-66 from the Beltway. Local traffic can use exits prior to the detour area.

Nighttime Closures of Eastbound DIAAH/Dulles Toll Road, and Dulles Connector Road (Route 267) with Detour to Resume

Drivers traveling east on the Dulles International Airport Access Highway (DIAAH) and Dulles Toll Road (Route 267) toward I-66 will experience a detour between 9:00 p.m. and 5:00 a.m. Sunday night, Nov. 28 through Friday night, Dec. 3.

This closure allows crews to continue overhead construction on the aerial guideway where the DIAAH and Toll Road merge near Route 123 to form the Dulles Connector Road. The road must be closed to through traffic also for safety reasons.

DIAAH traffic will first be directed to exit using the existing slip ramp toward the exits to I-495 and Route 123. All eastbound traffic then will be detoured by exiting on to southbound I-495

(toward Alexandria/Richmond), then making an immediate exit on to northbound Route 123 (toward McLean). Drivers can then rejoin the eastbound Connector Road toward I-66/Washington from the on-ramp from northbound Route 123. This will allow motorists to bypass the overhead work.

All lanes of the Connector Road will be reopened by 5:00 a.m., in time for the morning rush hours.

Overnight Closures of Hunter Mill Road at Dulles Toll Road to Resume Nov. 29

Hunter Mill Road will be closed at the Dulles Toll Road between 11 p.m. and 5 a.m., Monday through Saturday, Nov. 29-Dec. 4, weather permitting.

Crews are installing new decking on a new bridge that will carry tracks for the Dulles Corridor Metrorail Project in the median of the Dulles Toll Road, over Hunter Mill Road. Detour information is as follows:

Southbound Hunter Mill Road

Turn right on to Sunset Hills Road, left on Wiehle Avenue, then left on to Sunrise Valley Drive to reconnect with Hunter Mill Road south.

Northbound Hunter Mill Road

Drivers should use the reverse of the southbound detour. They will be directed to turn left on Sunrise Valley Drive, right on Wiehle Avenue, then right on Sunset Hills Road to access northbound Hunter Mill Road.
