REMINDER: Right Lane of Westbound Leesburg Pike (Route 7) from Spring Hill Road to West of Tyco Road to Close All Weekend

The right lane of westbound Leesburg Pike (Route 7) will be closed from just west of Spring Hill Road to just west of Tyco Road beginning at approximately 9:30 p.m. Friday, Oct. 29, through 5 a.m. on Monday, Nov. 1.

The other two lanes of westbound Route 7 will remain open. Turns will be permitted to and from Route 7 and Tyco Road. The Spring Hill Road intersection will remain open.

If crews complete the work ahead of schedule, the lanes will be opened at that point.

The closure is necessary to allow Dulles Rail construction crews to relocate a water line. This work is critical for upcoming lane shifts that are still scheduled for the remainder of Route 7.

Police will be onsite for motorist safety during the nighttime hours. Drivers are cautioned to drive carefully and pay attention to signage all along Route 7 east and west.

Frontage Road/Ramp from Southbound Chain Bridge Road (Route 123) to Westbound Leesburg Pike (Route 7) to Close Overnights Beginning Sunday, Oct. 31

Last month, the Dulles Corridor Metrorail Project changed the way drivers get from southbound Route 123 to westbound Route 7 by routing traffic on to Frontage Road, which runs parallel to Route 123 north of Route 7. Additional work on the road is scheduled for Sunday, Oct. 31 through Saturday, Nov. 6 during the overnight hours.

Frontage Road will be completely closed between 11:00 p.m. and 5:00 a.m. on those dates. **However, the work will be phased to permit businesses along Frontage Road, such as Clyde's Restaurant, to remain open until normal closing times.**

Detours are recommended as follows:

From southbound Route 123 to westbound Route 7:

Continue on southbound Route 123 and turn right on Gosnell Road to access both directions of Route 7

From westbound Route 7 to southbound Route 123:

Continue on westbound Route 7, turn right on Westpark Drive, right on Greensboro Drive, right on International Drive, then right on to southbound Route 123

Police will be onsite for motorist safety.

Overnight Closures of Hunter Mill Road at Dulles Toll Road Scheduled Next Week

Drivers who use Hunter Mill Road in the Reston area will experience significant delays on or about Nov. 1-5, when the road will be closed at the Dulles Toll Road between 11 p.m. and 5 a.m., weather permitting.

The closing is necessary for safety reasons while new decking is installed on a new bridge that will carry tracks for the Dulles Corridor Metrorail Project in the median of the Dulles Toll Road over Hunter Mill Road.

Drivers going south on Hunter Mill Road will need to detour by turning right on to Sunset Hills Road, left on Wiehle Avenue, then left on to Sunrise Valley Drive to reconnect with Hunter Mill Road south.

If traveling north on Hunter Mill Road, drivers will be directed to turn left on Sunrise Valley Drive, right on Wiehle Avenue, then right on Sunset Hills Road to access northbound Hunter Mill Road.
