Important Lane Closures Sept. 7-10, 2010

REMINDER: New Pattern in Place Along Eastbound Route 7 in Tysons Corner

A new traffic pattern is in place this morning for drivers using eastbound Route 7 in Tysons Corner near the Dulles Toll Road.

Route 7 (Leesburg Pike) between the Dulles Toll Road and the Best Buy shopping center, west of Gosnell Road, was shifted between 40 and 60 feet to the south.

Drivers exiting to Route 7 east from the eastbound Dulles Toll Road should pay close attention to the new lane markings.

Drivers should be on the alert for construction in this area as crews continue to fine-tune traffic signals and lane markings, especially near the Spring Hill Road intersection.

This shift makes room for the construction of the future Tysons West Metro station in the median of Route 7.

Night Closures of Westbound I-66 with Detour to Resume Next Week

Overnight closures of westbound I-66 at the Dulles Connector Road (Route 267) split will continue Tuesday, Sept. 7 through Friday, Sept. 10, causing significant detours. Traffic will not be allowed to flow below this construction work for safety reasons. The overhead clearance when the road is open is only 15 feet.

The closings will continue intermittently for about five weeks, and will happen during overnight hours from midnight to 5 a.m. All lanes will be reopened by morning rush hours.

When I-66 westbound lanes close, thru traffic will be detoured on to the Dulles Connector Road west bound, then onto Route 123 south toward Tysons Corner, a right turn will then be directed onto the ramp to the Capital Beltway south toward Richmond. Drivers can then rejoin I-66 from the Beltway. For local traffic, drivers have options to exit I-66 prior to the closing.

Magarity Road to Resume Overnight Closures

Drivers who use Magarity Road in the McLean/Falls Church/Tysons area might experience significant delays on Tuesday and Wednesday overnights when the road may be closed between Olney Road and Great Falls Street between midnight and 6 a.m., weather permitting.

The closing is necessary for safety reasons as concrete is poured for the new bridge that will carry the new rail tracks in the median of the Dulles Connector Road across Magarity Road.

Drivers are encouraged to detour by using Anderson Road, Chain Bridge Road and Great Falls Street.

Labor Day Weekend Holiday Work Schedule

Unless listed below, there will be no lane closures from noon Friday, Sept. 10 until noon Tuesday, Sept. 7, in observance of the Labor Day holiday.
