URGENT: Northbound I-495 Closures at Route 123 Cancelled for Tonight, Thursday, Feb. 24; Closing at I-66 and Dulles Connector cancelled for rest of this week

The Dulles Corridor Metrorail Project has announced that the previously scheduled closures of the three right lanes of northbound I-495 at Route 123 and the planned closings of the exits from northbound I-495 to southbound and northbound Route 123 are cancelled for overnight tonight, Thursday, Feb. 24.

Weather permitting, these closures are expected to resume Friday, Feb. 25, between 11 p.m. and 5 a.m. They are also scheduled to occur overnights Sunday, Feb. 27 through Friday, Mar. 4. Updated information will be announced as soon as it is available.

Motorists should still expect frequent, overnight closures in this area for the remainder of the year as construction of the bridge over the beltway continues.

In addition, the previously announced overnight closure of westbound I-66 at the Dulles Connector Road (Route 267) is cancelled for the remainder of the week.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
