Southbound Route 123 to Close at Route 267 Overnight Tonight

The southbound lanes of Dolley Madison Boulevard (Route 123) will be closed at the Dulles Connector Road (Route 267) interchange between 11 p.m. and 5 a.m. Saturday, March 12, so crews can work on the bridge spanning over the road. In addition, the exit ramp from the westbound Connector Road/Dulles Toll Road to southbound Route 123 also will be closed at these times.

Prior to reaching the Connector Road, traffic on southbound Route 123 from McLean should turn left on to Great Falls Street, right on [Old] Chain Bridge Road, right on Anderson Road, then left to rejoin southbound Route 123.

Traffic using the westbound Connector and Toll Roads should use the exit to northbound Route 123 (toward McLean), then use the detour described above.

Police will be onsite for motorist safety.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
