## **REMINDER: Three Left Lanes of Southbound I-495, Ramp Closed Thursday Night, Dec. 1**

The **three left lanes** of southbound I-495 will be closed again Thursday night from the Old Dominion Drive bridge to Route 123 for ongoing Dulles Corridor Metrorail Project bridge construction.

In addition, the ramp from southbound Route 123 to southbound I-495 also will be closed. Traffic will be detoured through the area. Drivers are encouraged to stay alert, use extreme caution, and heed police directions and detour signage.

These closures are scheduled from 11 p.m. to 5 a.m. All work is weather-dependent.

As a reminder, multiple lane closures in either direction of the beltway may be closed at the Route 123 intersection through the end of the year as Dulles Metrorail bridge construction nears completion.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: [www.dullesmetro.com](http://www.dullesmetro.com) or 703-572-0506.
