CORRECTION: Right Lane of Southbound Route 123 to Close near Capital One Drive Starting Tomorrow, Dec. 1

Beginning Thursday, Dec. 1, the right lane of southbound Route 123 will be closed between the hours of 9 p.m. and 5 a.m., from Capital One Drive to the east side of I-495 because of Dulles Corridor Metrorail Project construction.

This lane will be closed to allow large concrete bridge segments to be trucked into the rail project work area on the north side of Route 123. This is where a massive blue-and-yellow horizontal crane (called a "truss") is continuing bridge construction.

This closure is scheduled for the in the overnight hours Dec. 1-2, and Dec. 4-9.
Police will be onsite for motorist safety, and detours are not necessary.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
