REMINDER: Tysons Boulevard Closed Tonight between Route 123 and Galleria Drive

All lanes of Tysons Boulevard will be closed between Chain Bridge Road (Route 123) and Galleria Drive tonight, Friday, Dec. 2, for overhead bridge, pier and station work near the future Tysons Central 123 station.

This Dulles Corridor Metrorail Project will also require the closures of the turn lanes on to Tysons Boulevard from both directions of Chain Bridge Road (Route 123), and both directions of Galleria Drive. Generally, these lane closures will begin to be implemented after 9:30 p.m., and will be lifted by 5 a.m. the following mornings.

Detours around this closure will be in place. Please use extreme caution, pay attention to signage, and obey police direction if traveling around this intersection.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
