Two Right Lanes of Southbound I-495, Ramp Closed Monday and Tuesday Nights, Nov. 21-22

Weather pending, the **two right lanes** of southbound I-495 will be closed Monday and Tuesday nights, Nov. 21 and 22, from Lewinsville Road to Route 123 for ongoing Dulles Corridor Metrorail Project bridge construction.

In addition, the ramp from southbound Route 123 to southbound I-495 also will be closed on those nights. Traffic will be detoured to stay on southbound Route 123, turn right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then a slight left on to northbound Route 123 to immediately access the southbound I-495 on-ramp.

These closures are scheduled from 11 p.m. to 5 a.m. both nights.

Police will be onsite for safety. As a reminder, multiple lane closures in either direction of the beltway will be closed at the Route 123 intersection through the end of the year as Dulles Metrorail bridge construction nears completion.

Motorists should stay alert, use extreme caution, and be prepared to allow extra time or alter their travel along these roads.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
