Overnight Lane Closures on the I-495 Capital Beltway Continue Tonight, Oct. 25

Dulles Corridor Metrorail Project bridge construction over I-495 at the Route 123 interchange is scheduled for tonight, Tuesday, Oct. 25, from 11 p.m. to 5 a.m., weather permitting.

During that time, **three right lanes** of southbound I-495 will be closed from Old Dominion Drive to Route 123. One lane of thru traffic will be allowed through this portion of the interchange.

The **entrance ramp from southbound Route 123 to southbound I-495** also will be closed from 11 p.m. to 5 a.m. Sunday night. To access southbound I-495, traffic will be directed to continue on southbound Route 123 (Chain Bridge Road), turn right on International Drive, right on Galleria Drive right on Tysons Boulevard, then take a slight left and immediate right on to the ramp to southbound I-495.

Police will be onsite for motorist safety. As a reminder, multiple lane closures in either direction of the beltway will be closed at the Route 123 intersection through the end of the year. Motorists should stay alert, use extreme caution, and be prepared to allow extra time or alter their travel along these roads.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
