Important Lane Closures for Oct. 30-Nov. 5, 2011

Overnight Lane Closures on the I-495 Capital Beltway Continue Next Week

Crews will continue the bridge construction over I-495 at the Route 123 intersection next week, weather permitting. Multiple lanes in either direction of the beltway may be closed in the overnight hours, though thru traffic will be permitted. Specific lane closures will be announced daily, and should be expected through the end of the year.

Eastbound Tysons Boulevard to Close Friday, Saturday Nights

The eastbound lanes of Tysons Boulevard will be closed between Chain Bridge Road (Route 123) and Galleria Drive Friday and Saturday nights, Nov. 4-5, for overhead bridge, pier and station work near the future Tysons Central 123 station.

This also will require the closures of the turn lanes on to eastbound Tysons Boulevard from northbound Chain Bridge Road (Route 123), and northbound and southbound Galleria Drive. Generally, these lane closures will begin to be implemented at 9:30 p.m. each night, and will be lifted between 5 and 9 a.m. each following morning.

Detours will be in place. Drivers should use extreme caution, pay attention to signage, and obey police direction if traveling around this intersection.

Overnight Flagging Operation on F-773 Frontage Road at Route 7

The F-773 Frontage Road connecting southbound Chain Bridge Road (Route 123) and westbound Leesburg Pike (Route 7) will be controlled by flaggers from 9:30 p.m. to 5 a.m. Monday through Thursday nights, Oct. 31-Nov. 3, and from 9:30 p.m. to 10 a.m. on Friday, Nov. 4.

The flagging crews will be in place from approximately 500 feet to 1,000 feet north of Route 7. Dulles Metro crews will be preparing for utility work.

Businesses open after 9:30 p.m. (e.g. Clyde's) should be aware of this work, and notify their employees and customers.

Safety Alert: Flaggers on Magarity Road at Dulles Connector Road Overpass

Drivers who use Magarity Road in the McLean/Falls Church area should be aware that flaggers will control thru traffic under the Dulles Connector Road (Route 267) overpass next week as bridge construction occurs over the roadway.

Flaggers will be in that location Monday, Oct. 31 – Thursday, Nov. 3 from 9:30 a.m. to 3:30 p.m., and Friday, Nov. 4, from 9:30 a.m. to noon. Please be alert and use extreme caution when using this stretch of Magarity Road.
